NPIC NOTICE
NO. 1-17

ORGANIZATION
7 December 1979

ESTABLISHMENT OF CONTROL AND INTEGRATION GROUP

1. Effective 17 December 1979, the Control and Integration Group (CIG) is established. The CIG will be responsible for planning, coordination, integration and resource management activities of NPIC. It is charged with planning and coordination of preparations for new systems, and for insuring the integration and control of programmatic activities of NPIC. CIG will consist of the Programming and Budgeting Branch, elements of the Programs Analysis Division, TSG, and a new NPIC Control Board Secretariat.

2. Detailed mission and functions statements, staffing levels, and individual personnel assignments will be announced in the near future.
